SEEK WISDOM AS GOLD
RAPUHIA TE MATAURANGA HEI TAONGA

OUTDOOR EDUCATION PROSPECTUS 2019

Welcome nau mai

Dunstan High School offers a renowned Outdoor Education Programme through a wide variety of adventure-based learning activities, including snow-shoeing and snow-caving, cross-country (Nordic) skiing, rock-climbing, multi-day cycle touring, mountain biking, first aid skills, navigation and bush-tramping skills, and overnight hiking expeditions along iconic New Zealand routes.

Dunstan High School is set in the beautiful and geographically diverse landscapes of Central Otago on New Zealand's South Island. The topography, natural resources and unique climate provide fantastic opportunities for our Outdoor Education programme to be enjoyed, right on our doorstep.

Our programmes specialise in personal and social development, teamwork, leadership and relationships with others. Adventure becomes the medium for students to explore their strengths and realise their capabilities.

Dunstan High School shares management of Tititea Lodge, located in the East Matukituki Valley on the outskirts of Mount Aspiring National Park. The school runs a number of camps from Tititea each year.

The senior Outdoor Education courses offer opportunities to gain credits towards the New Zealand National Certificate of Educational Achievement (NCEA) qualifications.

Even though Dunstan High School is set in the unique landscapes of the distant South of New Zealand, it is surprisingly easy to reach. There are regular international flights to both Auckland and Christchurch, and then onward regular domestic flights to and from Queenstown.

Queenstown is a 70min drive from Alexandra and a pick-up service can be arranged by the school.
