Music	11/12/13	1 x 1B5 exercise book, manuscript pad, 1 clearfile (20p), pencil, eraser

Workbook to be advised by teacher and will appear on school account.

Device recommendation

- Laptop or Chromebook
- Windows 8.1 at least or Mac OS X 10.10
- Google Chrome browser (to be compatible with Google online learning tools used frequently at Dunstan)
- 11inch screen or larger
- A physical keyboard (not part of the touch screen)
- Six hour minimum battery life
- Device should be carried in a robust protective case and some sort of insurance/extended warranty is strongly recommended.
- For students looking at senior courses requiring video/photo editing or access to music or design software, then a laptop, as opposed to a Chromebook, should be considered. This should be discussed with the specialist teacher concerned.
