

## Summer Service, Blues and Bars Awards

On Friday 12 May Dunstan High School recognised our Summer Sports Blues / Bars and Service award recipients.

Blues are awarded to students that show a high level of commitment and achievement in their chosen sport. This means two or three years playing for the top DHS team in that sport.

Bars are awarded to students that have shown excellence in performance within their chosen sport. This would generally be achieved at a regional or national level.

Service Awards are given to students who have shown commitment to the administration of sport through coaching or umpiring for a minimum of two years.

In all awards above, students must show commitment to their sport, uphold the reputation of Dunstan High School both on and off the field and uphold the values of Dunstan High School.

The following students were recipients of these awards. Congratulations to all of these students for their contribution and commitment to sport in 2022/3.
