

DUNSTAN HIGH SCHOOLS 2025 ATHLETICS DAY

Final Results will be announced after the 3000m and Triple Jump.

Dunstan High School's athletics day was a roaring success, with both the weather and the students bringing the heat both on and off the track! The competition was fierce, with a long-standing record shattered, showcasing the incredible talent emerging from one of our new entrant junior athletes.

From lightning-fast sprints to impressive field events, the day was filled with standout performances and plenty of potential future stars in the making. Some very vibrant house colours and creative dress-ups, making it a day to remember for everyone involved! Well done Dunstan High School athletes on another successful Athletics day.

Zoe Reinds smashed the previous DHS High Jump Record of 1.54 by another 4cm, jumping a whopping 1.58cm. Well Done Zoe!
