

nice to meet you!

Jason Barron.

Kia ora, I'm Jason Barron and I'm excited to be taking on the role of Director of Boarding at the Hostel. I've been the Learning Support Coordinator at DHS for the past 3 years and been living at the hostel as a supervisor for the past 2.5 years. I'm looking forward to focusing more on the Hostel and working with the awesome students that live there. When I'm not working, I enjoy spending family time with my wife Amy and our 18 month old boy Thomas or can usually be found on the golf course avoiding fairways and hacking in the long grass.

Kritika Lal.

Hi, I'm Kritika Lal from Fiji. I've joined Dunstan High School as a Science Teacher, covering Ms. Paige's maternity leave, and I'm currently teaching Science to Years 9, 10, and 11. My husband, son, and I have recently settled in Alexandra, and we're enjoying the crisp, refreshing climate and the beauty of the surrounding landscape. The warm and welcoming community has made the transition even more special. I'm delighted to be part of a school with such supportive staff and a strong culture of learning.

nice to meet you!

Robyn Huddleston

Hi, Im Robyn Huddleston. My new role is Kitchen Manager at the Hostel. I have recently returned to Alexandra, after residing here and Omakau prior to 2000.

My last few years have been busy and varied, working at Hunting Lodges, and latterly on a Cattle Station near Kununurra, WA. The temperatures here, and the lack of snakes is very appealing. I am looking forward to my new challenge of providing meals and variety to the Hostel Students.

Aimee Bell

We welcome Aimee Bell who joins our Learning Support Team as a Learning Support Assistant
