

Boundaries and staying safe at school.

As the colder weather approaches more students will be moving inside during their breaks. To ensure we have adequate supervision during break times our out of bounds areas will be changing. Students will not be allowed inside or beyond the yellow areas below. This is also a reminder about students remaining on site during the school day. If a student has a lunch pass they are permitted to leave school to go home for lunch. Students may not go to the shops, friends homes or into the public areas around school. If there is an event located at Molyneux park, students are not permitted to go and spectate or purchase items from external vendors. This is to ensure the safety of students and also those involved in these organised events. If you have any questions regarding our lunch pass policy or process please contact a member of our Senior Leadership Team.
