Uniforms: Shorts and tops Supplied. Buy own socks. Hoodies optional.

Equipment Required: Own boots and shin pads.

For more information contact Jo McKay (TIC) jmckay@dunstan.school.nz

DHS and Club Football

AUFC registration is about to open. I would encourage all players interested in playing football to play for Alexandra United Football Club - either U15 or U18 or Men's. The DHS First XI season does not start until after Club season finishes.

This will ensure your football skills are good enough to get into the First XI - plus it makes sure that we are at the same standard as other schools in the region so we can compete.

For those in Year 11-13, you have the option of playing for the AUFC Men's teams - they have two teams this year. Colin Foster is very happy to have you at training on Tuesday and Thursday nights - 6.30-7.30pm to try it out and/or get fit for the season.
