

Clay Target

Season Information:

For those interested in joining or wanting to see what it is all about, there is a practice day in April at the Alexandra Clay Target Club, Crawford Hills Road at the end of the Galloway Straight.

A new member generally comes along 3-4 times before having to decide whether to continue or not. Once you have joined, the club requires a firm commitment for the rest of the season to attend practices and be available for competitions if required.

Before any new member can begin, we require a meeting with the student and their parent/caregiver.

Members are expected to provide their own hearing and eye protection.

Summary of Estimated Costs:

- Annual Membership Fee (Alexandra Club):\$10
- Registration Fee (NZCTA): \$35

Practice costs:

- For the first 3-4 times for potential members \$10 each week
- Weekly practices \$20 DTL each week
- Additional \$15 skeet each week

These practices include ammunition in the price

Competition Costs:

- Entry Fee (approximately) \$40.00
- Additional \$20 skeet

These fees include ammunition, but travel and accommodation costs are additional
