

Ice Hockey

Season Information:

Ice Hockey Season starts in Alexandra mid-May until third week of August. The school team play Term 3 in preparation for the South Island Secondary Schools Tournament (SISS).

The Central Stars have paired up with the Flames Ice Hockey Club, making training, gear and coaching easier. The team use Iceinline, located at Molyneux Park across from the Alexandra Bowling Club. Future plans are to develop a Central Otago league including Cromwell and Queenstown.

There is the possibility the Dunstan Valkyrie (girls team) will play against other girls teams. More information will be available once numbers are confirmed.

Trials: Students that register will be notified about trials. These will be held early in term 3.

Trainings: At present 1 - 2 times a week in Term 3 - Mon, Wed and some Weekends.

Tournament: South Island Secondary Schools Tournament late August - Dunedin Ice Stadium

Entry is open to everyone. Once the team is sorted, weekly training sessions after school on days to suit the players will be organised. If there are more than 15 players plus 1x goalie, then a form of trials might need or a second team would be considered.

The team will return to Alexandra on Wednesday after the tournament has finished, usually getting home at about 6.00 pm

Cost: Approx \$250pp to cover cost for travel, fees and accommodation for the tournament

Uniforms: Provided

Equipment Required: Full Ice Hockey Gear. More information can be found by contact the Flames Ice Hockey Club.
